ROTARY CLUB OF

President Nancy's Message

****A Patriotic Presentation by John Albers****

Our recent meeting was truly inspiring, as we were treated to a wonderful presentation from John Albers on the history of the Star-Spangled Banner. John's knowledge and passion for this iconic symbol of American pride brought new life to the story behind our national anthem. From its origins during the War of 1812 to its role in uniting Americans through the years, John's talk reminded us of the powerful meaning behind the words we often sing.

Stay tuned, as we look forward to revealing some exciting news in the near future. We can't wait to share what's coming up next for Roswell Rotary!

****Thursday Oct. 24 Upcoming Event: Breast Cancer Awareness Talk with Dr. McLaughlin****

We are excited to announce that our next Roswell Rotary meeting will feature a special presentation by Dr. McLaughlin, a leading expert in breast cancer. Dr. McLaughlin will share the latest advances in breast cancer research, treatment options, and the importance of early detection. His knowledge and insights are sure to provide valuable information on this important topic.

We will also be honoring some very special guests—breast cancer survivors—whose strength and resilience inspire us all. Their presence will serve as a reminder of the impact of our ongoing efforts to raise awareness and support those affected by this disease.

We look forward to welcoming Dr. McLaughlin and our honored guests to this important event. Join us as we come together to learn, support, and continue the fight against breast cancer.

How Can I Help with the Disaster Recovery Effort?

6 Help Rotarians Recover
Your donations will go to support Rotarian lead relief efforts in the hardest hit areas

How can we help with supplies?
As Rotarians we want to spring into action, collect supplies and drive them to those in need ASAP. Instead, your donation allows us to procure pallets of supplies and add them to GEMA or FEMA tractor trailer loads of supplies headed to disaster areas from the FODAC warehouse.

What will my donation go towards?
Here is an idea of some of the items your donation will allow us to get to those in need:

\$10 Disposable Grill	\$25 Paper Towels	\$50 Baby Formula	\$100 15 Meal Kits
\$250 Chainsaw	\$500 Pallet of Water	\$750 Generator	\$1000 Supply Delivery

There is an effort being organized for Oct. 30 - Nov. 4. So far we have heard they need people with trailers. And who have their own resources-food, water, place to sleep. It's a true disaster area at this point in the recovery.

RRAH - Next meeting is Tuesday, Nov. 5th!

An event flyer for "After Hours" featuring Sue Carpenter. The background is a solid orange color with a white, stylized pattern of wavy lines at the top. On the left, there is a circular portrait of Sue Carpenter, a woman with short blonde hair wearing an orange top. To the right of the portrait, the text reads: "AFTER HOURS" in white, "SUE CARPENTER" in large white letters, "Creating Senior Citizen Baskets!" in smaller white text, and "Next Meeting: Tuesday, Nov. 5th @ 6:30 PM The Artillery Room @ Gate City" in white. At the bottom right, there is an illustration of a brown wicker basket filled with various items like a blue cup, a green box, a white jar, and a blue bow.

After Hours is pleased welcome back Sue Carpenter! Sue Carpenter is Vice President,

Corporate Philanthropy & Major Donors for Visiting Nurse Health System. The non-profit organization was founded in 1948 on the belief that everyone deserves fair and equal access to healthcare. Visiting Nurse is the safety-net for low-income patients and provides charitable care with the help of our philanthropic community. Together, they deliver nearly 9,000 charitable care visits each year throughout Metro Atlanta and 57 counties they serve in Georgia. However, with the growth of Georgia's aging population and an underserved community, the need for support has never been greater. There are opportunities to give of your time, talents, and treasures including preparing care packages for seniors, serving at our family bereavement camp, honoring Veterans, connecting them with your company giving, serving as a Healthcare Champion, and making individual contributions. To learn more about their mission contact sue.carpenter@vnhs.org.

This meeting After Hours will be creating Senior Citizen Baskets for Sue to bring to patients at Visiting Nurse. If you would like to participate, here is a [link](#) with what is needed for the baskets. Please write your name & quantity of items you will be bringing to this meeting.

Our next meeting will be November 5th, located at the Artillery Room at Gate City at 6:30 pm.
