ROTARY CLUB OF

President Nancy's Message

Protecting Yourself from Identity Theft

At our recent Roswell Rotary meeting, Sindy gave a compelling and eye-opening presentation on identity theft. The alarming rise in cybercrime has left many of us questioning the safety of using our devices and credit cards. While her talk revealed the dark side of digital theft, it also empowered us with the tools and knowledge to stay safe.

It's easy to feel anxious about the risks, but with the right precautions, you can continue using your devices and credit cards confidently. After all, it's not about avoiding technology altogether—it's about being proactive and informed.

This Week's Speaker - Dan Garrett on His Inspiring Journey from "The Pole to the Pew"

This week, we are thrilled to welcome back Dan Garrett, a former Roswell Rotarian, who will be speaking about his powerful book, "The Pole to the Pew." In this compelling account, Dan shares the incredible story of how he and his team transformed the infamous Pink Pony—once a well-known adult entertainment venue—into a vibrant community center and house of worship.

For years, the Pink Pony was a source of controversy in the area. However, Dan and his team saw an opportunity for redemption. Through dedication, collaboration with community leaders, and a commitment to positive change, they faced the daunting challenge of converting the site into a space where people could come together, support one another, and strengthen their faith.

Dan will discuss the many hurdles they encountered along the way, including legal struggles and opposition, as well as the remarkable success of turning a divisive establishment into a place that now serves as a pillar of the community. The journey from "The Pole to the Pew" is a testament to the power of vision, perseverance, and faith in creating lasting, meaningful change.

We are excited to hear Dan's story of how this transformation was achieved, and the inspiring message of hope and unity it brings. Don't miss this opportunity to hear from Dan Garrett and learn how a place once seen in a negative light became a symbol of

Rotary Leadership Institute

As Rotarians, you are all leaders, some in your community, some in your profession, and some in life in general..

Why Participate?

At RLI, our purpose is to give you the necessary tools and skills to be better Rotarians. As with every endeavor, the more you know about anything, the more interesting it becomes. Rotary is most assuredly one of those areas that the more you put into it, the more you get out of it. RLI can make that possible for you.

Investment in Roswell Rotary's Future

Graduates of RLI are more likely to remain in, and be a bigger part of Rotary, than any other demographic. RLI is a great place for newly inducted Rotarians to quickly learn about the "Object of Rotary". Club Officers can build on their Rotary Knowledge to enhance their club experience. Club Presidents can expand on the skills gained at their President Elect Training Seminar. Long-time Rotarians can re-ignite the old Rotary flame, and at the same time share their experiences with the other participants. Roswell Rotary will reimburse you the \$100 (in-person session) or \$15 (online session) for the cost of the course! That is how much your club believes in the benefits of RLI.

Go to <https://www.rlisunshine.org/> for course information, dates and registration.

Your Pet Can be a STAR and Help End Polio NOW

Welcome to the Kennel Klub, Millarky! Millarky is an adopted 2 year old mix who is in training to be a therapy dog with Happy Tails Pet Therapy Inc.

[Click Here](#) for information on how your pet can help to support the fight against polio!

The Kennel Klub was inspired by Zone 26 Past EPNC Greg and Valerie Owen's dog, Mollie, who is giving up \$10 worth of treats each month to be a Polio Plus Society member. Mollie, sporting a very special End Polio Now bandana on Rotary Zoom calls, quickly became the beloved mascot for End Polio Now in the Big West Zones. Mollie started asking her fellow four-legged friends to help her End Polio, and the Kennel Klub was born! And now Roswell Rotary Club's President's own Millarky has joined the club!

Within only weeks of launching, the Kennel Klub has raised over \$3,500 (that's over \$10,000 with the Bill and Melinda Gates 2:1 match). Rotary is committed to raising \$50 million per year, with every dollar to be matched with two additional dollars from the Gates Foundation. **How can you sign up your four-legged friend to join Millarky in the Kennel Klub?** Just click on the link above. You can also make a donation to honor a pet that has passed. By helping End Polio, our best friends can continue to make the world a better place. Help spread awareness by posting a pic on social media of your pooch in the bandana and hashtag it with #PPSKennelKlub. Let's End Polio once and for all! WOOF WOOF!

Eat More Protein - Your body is asking for this
Juan's Fried Chicken update

"Imagine right next to a piece of Juan's crispy fried chicken, is a piece of Juan's perfectly marinated tofu on your plate once a week. What would happen to you?"

Not only would it add variety to your meal, you'd also feel great knowing you're fueling your body with a true protein powerhouse!

At just 8 calories per gram of protein, tofu is one of the most efficient ways to meet your daily protein needs—helping you stay energized and strong throughout the day. Plus, it's packed with antioxidants that are "linked to reduced risk of prostate cancer and reduced risk of death from breast cancer, amongst its potent anti-inflammatory benefits," shared Abby Johnson of Harmony Nutrition in Alpharetta.

Why not give it a try? Even half a piece can make a difference! Pair it with your salad or veggies and let it soak up all those delicious flavors.

Adding tofu to your plate once a week is an easy and delicious way to stay healthy and meet your protein needs—especially as we age!"

CALLING ALL VETERANS (who have never been on an Honor Air Trip)

Roswell Rotary Honor Air is accepting 50 applications from US War veterans, America's heroes, for a **complimentary free day trip to visit their Memorials in Washington DC on April 9, 2025.**

Many of the men and women who fought and sacrificed for our country have not had the opportunity to visit their own Memorials. Our World War II veterans and also our Korean War veterans are facing health challenges so time is of the essence for these great men and women. In addition, we want to give our Vietnam War veterans the "Welcome Home" they never received, honoring their service, sacrifice, and commitment to our

country.

Here is how the Honor Air works: Approximately seventy World War II, Korean, and Vietnam War veterans plus guardians, a doctor and emergency personnel will gather at the Roswell, GA Community Center in the early morning hours and travel by motorcoach to the Atlanta airport. They will fly on a chartered plane to Washington, D.C. where they will be escorted on buses from the Ronald Reagan Washington National Airport to the World War II Memorial. Then they will visit the Vietnam and Korean Memorials and the Tomb of the Unknown Soldier at Arlington Cemetery. That same day they will return to the Reagan airport, fly back to Atlanta and then by bus to Roswell. Every veteran will have a volunteer guardian to personally assist them. Veterans will be encouraged to take advantage of the complimentary wheelchairs thoroughly out the day.
