Volunteer: Garrison-Pilcher Read-A-Thon

Rotary has signed up to participate in Read-A-Thon at Garrison-Pilcher on March 7 as part of our Youth Services project, and we need at least seven volunteers to help us fill up our timeslots.

Each reader will select a book from a pre-selected cart and spend 15 minutes reading to their assigned first- or second-grade classroom as part of [Read Across America Week](#). To sign up, contact Chandler Giddes at (229) 201-0472. If more than seven people would like to participate, Rotary can 'adopt' additional times.

Thursday, Feb. 27

Thomasville Antiques Show

The Thomasville Antiques Show begins Thursday evening with the preview party and continues throughout the weekend.

At tomorrow's Rotary meeting, featured Antiques Show exhibitor C. Duncan Connelly, owner of Atlanta-based Thirteenth Colony Arts, will discuss his inventory of 19th- to mid-20th century American paintings, sculptures, and works on paper. He'll talk about his antiques' place in the fine arts and antiques market as well as their relevance to the Thomasville Antiques Show.

The Thomasville Antiques Show raises funds for non-profit organizations that directly benefit children's programs in Thomasville and has raised more than \$3.3 million in the past 35 years.

Upcoming Events

Mark Your Calendar

Here's a look at the upcoming calendar for March:

- **Thursday, March 6:** TCCHS Robot Wars - CyberStinger Robotics Team
Mann Patel and the TCCHS Robotics Team will share a glimpse into the future of robotics in action. Thomas County Central's championship team CyberStingers Blue will bring their award winning bot and epic STEM skills to Rotary. Watch their robot take on real competitive challenges and maybe get a chance to test your own skills. It'll highlight innovation, competition, and a whole lot of fun.

- **Thursday, March 13:** Challenger Catastrophe and Climate Change
Philip Browne to share his personal connection to the Challenger crew in a program entitled Challenger Catastrophe & Climate Change. It's about data, science, information and survival.

- **Wednesday, March 19:** Coffee Chat

- **Thursday, March 20:** Pack & Sort at Second Harvest

- **Saturday, March 22:** Produce Distribution at Weston Park

- **Thursday, March 27:** Regenerative Farming

Putt Wetherbee of Schermer Pecans will discuss regenerative farming, a land management practice that aims to improve soil health and crop yields while reducing greenhouse gas emissions.
