Getting to Know You

Meghan Berry

This week, we shine a spotlight on Meghan Berry, a dedicated member who brings a wealth of experience and a passionate heart to our club. Meghan grew up in Daytona Beach and is a proud alumna of Florida State University. Her career path has been diverse, beginning in nonprofit management where she supported national teen physical and mental health initiatives and spearheaded a collegiate program.

Meghan's connection to Innovative Design began as a client twice entrusting them with her home renovations. After the birth of her son Henry, she transitioned to the Innovative team, now serving as a project developer, guiding clients through the design-build process for the past six years. Her empathy, honed by her own experience as a client, allows her to truly understand and fulfill her clients' dreams of restful personal spaces.

Rotary was always a familiar name to Meghan, thanks to her Rotarian father. It was a serendipitous conversation with former client Rick Woods about her charitable work that led to her coming to our club. She quickly convinced her firm to sponsor our golf tournament and has been an active member ever since.

Meghan cherishes the sense of community and purpose Rotary offers. Along with her husband, Pete, she's hosted two club events at her home, including a wine tasting and a welcome reception for our international students, Hoa and Bin. The FODAC drive has been a particular favorite, allowing for meaningful one-on-one connections while providing comfort for those in need. She has also enjoyed volunteering at the Special Olympics basketball event. Meghan hopes our club continues to offer diverse, smaller scale projects like the canned soup and sock drives, providing more opportunities for many members to engage and give back.

Get Ready to Celebrate

Mark your calendar now and plan to join us Thursday, June 19 for our end of the Rotary year celebration at the Dunwoody Country Club. The Rotary Club of Dunwoody will celebrate our recent Club of the Year award and all we have accomplished during Louise Barden's year as President.

Details for the dinner gala will follow soon, but know now that you and a guest are invited. Please RSV P to Dave Burrby email at dave@mailcenteretc.com , along with any suggestions for outside guests you think we should invite.

Anchor Place

We are Still Collecting Plastic Bottle Caps!

We're planning an art project at Anchor Place that will require LOTS of plastic bottle caps - save all sizes and colors (ask your friends to help) and bring them with you to Rotary! We will need a lot of BLUE caps to make an Anchor - milk offers a good source of blue!

We hope to do the project mid-summer.

You can bring any bottle caps you have already collected to the meeting this Friday - or bring them on a future Friday. Any of our Anchor Place volunteers - Jackie Cuthbert, Fred Bounds, Tina Philpott, Louise or Ron Barden - would be happy to take them off your hands!
