President's Message

Thanks For Your Support!

This club is awesome! We started Saturday with a **river clean up** crew that won the award for most trash collected at 330 lbs and the most unusual find, an industrial gas tank. Another team **spent the day at VEO** repairing and painting rusty stair cases. That team had to bath in mineral spirits before coming to**Gate City to support End Human Trafficking Now**. Pat and Dave put on an amazing event supporting the organizations on the front lines of ending modern day slavery. I am in awe of all that we do and can't thank you enough!

This Week's Speaker

Steve Stroud

Steve Stroud is the Executive Director of Roswell Inc, which promotes economic development through a Public Private Partnership with the City of Roswell. Roswell Inc, under Stroud's leadership, has marketed an expanded Opportunity Zone, increasing the number of certified businesses, and launched programs to assist local businesses. Steve will give us an update on some of the big projects under way in Roswell like Canton Place and the Southern Post.

Our Interact Clubs will be with us to kick off the year, so come dressed up to compete in a club costume contest, help us provide treats to the students and hear ghost stories from Roswell Ghost Tours. The kids will love this and we might have a little fun too!
