Supporting Our Troops

It's easy for us to forget that we are a country at war and we have members of our armed services in harms way. Each week to honor our speaker our club has sent a care package to deployed troops to let them know people at home are thinking of them and grateful for their service. These packages serve as a reminder of home and the freedom they are protecting. These are just a few of the "Thank You" notes we have received from our future veterans.
