President's Message

We Got This

Wether it is walking around town and seeing signs like this one to encourage people to hang tough, or families spending time together outside or the many stories I have heard like the one below about people helping their neighbors, WE GOT THIS! As Americans and as Rotarians we have a strong desire to take care of one another despite the situation and this is no different. Please let me know if you, someone you know or an organization we support has a specific need so I can help spread the word. There are several great ways to serve other's outlined in this week's Rotascope. Stay safe, I look forward to seeing you all in person soon.

Bill & Patsy Wolf

Helping A Neighbor In Need

On behalf of Patsy Wolff, Bill reached out to the club to see if we knew a local family that had been impacted by COVID-19. Stacy Perlman helped us identify a family who was living in one of our extended stay hotels that was falling behind on rent. The dad was just laid off from his 1st job and had his hours reduced at his second job. The mom is pregnant with baby #4. Bill and Patsy helped the family catch up and covered next months rent so this family can get back on their feet. When we are able to visit our friends at St. George Village, I encourage you to stop by and thank Patsy for her continued generosity to our community.

Heroes Work Here

Thanking Our Health Care Workers

A group of anonymous Roswell Rotarians paid for this sign to go up outside of Wellstar North Fulton so their employees would know our community appreciates them. As a club we would like to buy them all a meal for a total of 400 meals across 2 shifts. Please

A Fun Way To Help

Be A Video Mystery Reader

Stacy Perlman asked me to be a virtual mystery reader for her students. They are sending kids videos of people reading a story and adding sound effects and props to make the stories more fun. Families are loving these videos. If you are interested, please email Stacy a link to your video on YouTube.

Rotarians In Isolation

Since we haven't been meeting or getting out much as a group, I borrowed a few pics from Facebook to show what some of us have been up to during self isolation.
