President's Message

A Garden of Hope

In the spring I planted a small garden, a garden of hope. Imagine my excitement to pick the first juicy red tomato.

This past Saturday, Dave McCleary hosted an international Rotary Action Group Against Slavery panel. All continents were represented. How promising to see both Interactors and Rotaractors speak of their involvement. They are the future of ending human slavery. They are the future of Rotary. They are our hope.

As Rotarians, may we continue our journey to plant seeds of hope, goodwill, and peace across the world.

“It is only the farmer who faithfully plants seeds in the Spring, who reaps a harvest in the Autumn.” B. C. Forbes

This Week's Speaker
