President's Message

All Hands on Deck

Roswell Rotary is on the front lines of serving the community. Our ability to support those in need is in direct correlation with the success of our golf and tennis tournament as 100% of the proceeds go directly to the charities we support.

I ask that every member of our club support our fundraiser in some fashion. Thank you to those that have already sponsored or volunteered.

Please consider a sponsorship and/or donation and let Danny or Rich know how you can help.

ANOTHER REASON WHY ROSWELL'S ROTARIANS ARE PLANNING TO DONATE BLOOD

You might think that Gate City Brewery offering a "Pint for a Pint," is why members, members' employees, friends and family would be quick to register for a time to donate blood. Donate a pint of blood, and receive a pint a coupon for Freedom Fighter or any other Gate City libation.

You might think that the COVID-19 test is why. Or the Amazon gift card you'll receive (that you could in turn donate to HomeStretch).

“My father fought in the Korean War and saw many heroes give their lives for this country. He always impressed upon me to give back by giving blood so others can live,” shared Darrell Bartlett. Every day more people are diagnosed with illness such as cancer, leukemia and sickle cell disease, all which use blood for treatment. One pint of blood can help up to three people. Each unit of blood can be separated into four components - red cells, plasma, cryoprecipitate and platelets. These components can help as many as three different hospital patients. "I always feel good within my heart and my soul about giving blood to help others with whatever trauma they might be experiencing in their lives at the time they need blood."

Click here to reserve 60 minutes on Aug 27 to donate.

For more information, contact Darrell Bartlett or Hal Schlenger. Our thanks to Pat Rains and Michael Curling for their current and past help saving lives in our community

Charity Spotlight

Child Development Academy

Mission:

The Children’s Development Academy affords all children in our community high-quality early education. Our vision is Best Start, Brightest Future, Every Child.

Fast Facts:

• Located in downtown Roswell

• Founded in 1968

• 240 children attend full-day early childhood education in nine vibrant classrooms—three each for Toddlers, Preschool and PreKindergarten

• The CDA program strives to prevent the Achievement Gap by Shrinking the Opportunity Gap that economically disadvantaged children suffer vis-à-vis more privileged peers.

• By focusing on our community's most vulnerable, our program can:

- Improve health outcomes and lower costs
- Boost earnings; personal and corporate
- Produce a higher rate of return on social spending: 7:1 dollar per investment for early education, and 13:1 when focused on high risk children
- Reduce demand for prisons, dropout rates, and teen pregnancies
- Return reliable, productive parents to the work force
- Affect every child in a kindergarten classroom
