President's Message

Thank a Vet

Thank you for serving our country and protecting our freedoms. Roswell Rotarians are grateful for your sacrifices. Past President Maurice Hilliard gave a heart felt story of a veteran of WWII, his father. Thank you Maurice!

Every Rotarian at our club can thank those who are currently serving our country by participating in our Adopt a Platoon this week. Its not to late to bring items listed below, donate some cash for those goods or help pack the boxes for our troops. See Ralph Rowland who is again heading up the annual Adopt a Platoon project.

This week we will learn about the RI foundation as well as our own foundation, all of which are giving back to those in need. Thank you Rotarians for putting Service above Self.

Business Networking Event for Rotarians

The return of business networking to Rotary on Tue, Nov 16

Paul Harris formed the Rotary in 1905 so that professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and conduct business together. Paul Harris was networking well before 1985 when telecommunications expert and consultant Bill Lewis is believed to be the first person to use the term "networking" to describe connecting people in order to build a business network.

While Rotary is about "Service Above Self," there is a growing place for networking in Rotary, particularly for those earlier in their careers, and those responsible for generating revenue. It is an opportunity for you or someone on your staff, or someone you are interested in recruiting to Roswell Rotary.

Walk (and talk) with a Doc Sat, Nov 20 8:00am

What could possibly motivate you to go for a walk on a Saturday

morning?

If you're like the majority of people, the answer is "not much." Would feeling as good as President Terry and Matt Millard and as svelte as President Terry and Matt Millard give you reason to reconsider?

After a brief talk from Dr Bush about "3 Common Myths about Being Healthy", we'll hike through the Vickery Falls trails. You can talk with Dr Bush or talk with others on the walk. It's an ideal way to start a weekend!

While this link lists 100 research articles how walking is good for you, Rotary is making it fun. We're joining up with the national "Walk with a Doc" program for a 2 mile and a 3 mile walk. In addition to the 100 reasons to walk, the 101st is to make room for Roswell Rotary's fried chicken for lunch. And there are several bonuses to participating in this community event

• The opportunity to get advice from our doctor while walking

• Free parking

•Earn credits for free coffee at Roswell's Land of a Thousand Hills Coffee

Date: Sat, Nov 20, 8:00 – 9:30am. Note: Our December walk will be Sat, Dec 4 at the Chattahoochee Nature Center and coincide with their Annual Holiday Market.
