President's Message

Well done Roswell Rotary!

This week a group of Roswell Rotarians made a trip down to Panama to visit our Global Grant in the Darien jungle. Thanks to this club's commitment to one of the seven areas of focus of Rotary international, two communities in this very remote part of the world are living better lives with clean water. This trip included new Rotarians as well as seasoned veterans from our club and from our partner club in Panama City. We built lifelong memories and experienced some new “Rotary Moments” in building new relationships with not only the native people of Darien but with other Rotarians.

The value of being connected to the Rotary family both near and far became so evident when one of our travelers became ill the morning before departure while checking in for the flight back and was unable to travel. Rotary members from Panama Nordeste stepped up and made the necessary arrangements for an extra day of recuperation. Through numerous text messages and phone calls, one member called the hotel, one member’s wife was a pharmacist and made a delivery to the hotel, another planned for transportation back to the airport the following day.

ROTARY CLUB OF

Welcome Tino Mantella, President & CEO Turknett Leadership Group

What a treat to hear from Tino Mantella as we honor these Roswell High School student leaders at Rotary today. Tino's passion is youth leadership. As CEO of the Chicago YMCA, Tino worked to provide programs that helped youth from so many different backgrounds. As a former wrestler, he connects with student athletes and has provided numerous mentoring opportunities for young people. And as a connector for people in the corporate world with his past experience at the helm of TAG (Technology Association of Georgia), he is generous with his time when counseling young people just starting out in their careers.

Leadership Lessons the Hard and Only Way

Tino's presentation will focus on these three points:

1. Courage of Conviction

2. BHAGS (Big Hairy Audacious Goals) Aligned with Action

3. The Difference YOU Can Make

About Tino

Tino Mantella joined Turknett Leadership as President and CEO in October of 2018. Over the course of his career, he has led some of the nation’s largest non-profit organizations as well as for-profit companies in diversified fields such as human and social services, health and technology. Under his guidance, the Technology Association of Georgia and the YMCA of Metropolitan Chicago became the largest institutions of their kind in North America. His track record of accelerating impact related to the lives of people, the congruity of teams and the effectiveness of organizations is evident in his national publication recognized reputation of being a versatile, innovative leader. His current focus is on seeing that the Turknett mission of ‘spreading leadership character around the globe’ is carried out to it’s fullest extent to impact a greater number of people and leaders.

Tino has traversed careers leading for-profit and not-for-profit companies that include but are not limited to disciplines in health, technology, human services, leadership development, and security. He was a Division one collegiate athlete and Captain of the Temple University Wrestling team. As an organizer of public policy efforts he has had opportunities to interface with national and local leaders and affect change. And as Tino gives back, he has provided leadership and guidance to numerous not-for-profit

Welcome Leadership 20/20 Student Leaders!

We welcome you to Roswell Rotary and congratulate you on being chosen for Leadership 20/20 this year! This forum is sponsored by Roswell Rotary and supported by RHS PTSA. Leadership 20/20 is a full school day of leadership workshops for a select group of RHS students. These students are nominated by their teachers for classroom leadership not based on academics, not athletics, etc. So you will see a full scope of the RHS community.

In addition to Tino's keynote topic on leadership, the students will hear from the following community leaders during the rest of the day on these current hot topics:

CyberBullying - Debbie Cwalina

Inclusion (GLBT+) - Becky Nelson

Mental Health - Bob Clarkson

Substance Abuse/Partying - Michael Curling

Leadership/Creating your own Pathway - Zach Fields

Don't miss this meeting!

What a wonderful opportunity to honor these student leaders and spend some time in fellowship and fried chicken with them.
