Be a Sponsor

President's Message July 28

Golf & Tennis Tournament Sept 12

The sponsor forms are out and we need you to sign up to support our Golf and Tennis Tournaments. Over the last few weeks, we have read about or heard from several groups that receive our support and marveled at the difference they make in our community.

The first day of school is less than two weeks away. What a great time to hear from Dr. Christopher Matthews from Fulton County Schools as our kids prepare to go back to school. We will have a special treat as we send off our outbound Rotary Youth Exchange student Revie Pierce who is leaving for France soon. We'll also have our second Past President Moment this week. Come learn about our club in the early 90's. See you Thursday!

With the new school year fast approaching, its a perfect time to hear from Dr. Christopher M. Matthews, Assistant Superintendent Fulton County Schools. Dr. Matthews is an accomplished school and system leader with 25+ years of K-12 education experience with a strong record of supporting school improvement and student achievement by focusing on data driven decision making, continuously evaluating and improving student programs and services, strategically aligning staff and resources, leading system and school level initiatives, developing and supporting principals and support staff, creating and revising policy and effectively managing the performance of school based and central office based talent.

Examples of leadership results are;

 Reallocated funds to create Specially Designed Instruction (SDI) Coaches to improve instruction for Students with Disabilities

 Implemented a research based literacy building program for ELL students and Students with Disabilities to increase achievement

 Implemented multiple strategies and programs that resulted in a 37% reduction in out of school suspension over last 7 years

 Achieved highest graduation rate in Atlanta Metro Area (5 large county region) for ELL students and Student with Disabilities

 Reduced disproportionate rates of suspension of black students which resulted in removal of State Action Plan

 Produced more State “Distinguished” PBIS schools than any other school system in GA

 Implemented short term suspension program that resulted in

Charity Spotlight

Chattahoochee Nature Center

Why we do what we do!

Chattahoochee Nature Center Mission: To connect people with nature.

Fast Facts

• The Chattahoochee Nature Center was founded in 1977

• The 127-acre property includes a River Boardwalk, Discovery Center, wetland demonstration gardens, and woodland trails that are home to over 50 species of injured, non-releasable wildlife

• Unity Garden: CNC has partnered with North Fulton Community Charities to provide NFCC families with fresh fruits and vegetables from the CNC Unity Garden

- The CNC / NFCC partnership enables NFCC families to improve their health and nutrition while experiencing a more balanced meal.-

-For the past 12 years, CNC's Unity Garden has supplied more than 32 tons of fresh produce to the clients of NFCC

-Roswell Rotary received a District Grant from the Rotary Foundation to replace the tools used to cultivate and tend the Unity Garden and provide assistance with the rising cost of seeds.

• Educational programming is offered at CNC Monday through Friday throughout the year for K-12 students, homeschool groups, and community groups

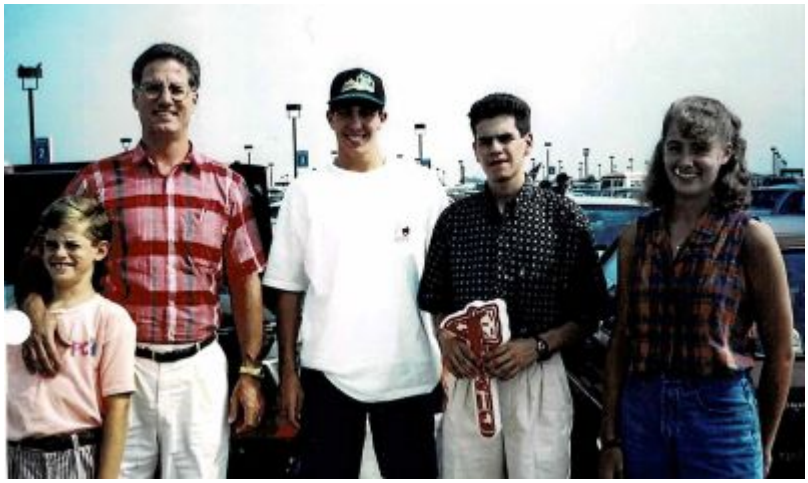

• The wildlife department receives more than 3,500 phone calls each year, with topics ranging from animal identification to habitat destruction

• The wildlife staff provides medical assistance to injured birds of prey, reptiles, and amphibians with the hope of releasing them back into the wild.

Past President Moment

Jeff Hamling- 1992-93

You've seen him administer the membership oath to most of our members, but did you know he only found out he would be president a month before the Rotary year began? Come find out what else happened thirty years ago at Roswell Rotary when we hear from Jeff Hamling.

After Hours Club Update

Henning from the CNC visits RRAH!

Thank you to Henning von Schmeling, Senior Director of Operations for the Unity Garden at the Chattahoochee Nature Center, for speaking to the After Hours club on Tuesday evening! Henning spoke with such passion and eloquence as he described various vegetables, seeds, wildlife and more. It was truly impressive to hear the role the Unity Garden plays in providing food to the community. The club learned a lot and looks forward to a *blossoming* partnership!

After Hours' next meeting is Tuesday, August 2 at 6:30 p.m. at The Artillery Room @ Gate City. As a reminder, they meet the first and third Tuesday of the month.

Injury and Surgery Play a Small Part in the Need for Blood

Roswell Rotary Blood Drive Aug 3

Many people think that blood is only needed for those who've had an injury or surgery. However, there are a large group of people that require blood for things as simple as a infected cut on their arm, a minor viral infection or a minor bacterial infection. This could include people in chemotherapy or those that are just not producing white blood cells. Your blood can provide the white blood cells that will save lives.

We need your help to give but if we can't get your blood we must get it from others! So we're asking for your help by asking others! Make it a "Call To Action" and get a minimum of one friend or family member to give in your honor. It's a simple process that makes you feel so good when you deliver! Plus when giving a Pint of Blood you get a Pint of Beer from our friends at Gate City!

For you or a friend to 'reserve a table' on Wed, Aug 3, click here to see availability and reserve your table. For more info and questions, please contact Darrell Bartlett at Darrell.Bartlett@allegion.com or Hal Schlenger at HSchlenger@GreatSouthBenefits.com
