President John’s Message

Roswell Rotary leads District 6900 in support of Interact clubs in our schools. Just about every school in the Roswell High School cluster of elementary and middle schools have an Interact club that we sponsor. In addition, we have clubs at Independence High School, the Cottage School, Blessed Trinity Catholic High School and Fellowship Christian School. And more are on their way. Vickery Mill Elementary is starting a club this year and Queen of Angels is exploring the idea.

Roswell Rotarians with a heart for our kids and education volunteer to be liaisons to these Interact clubs from our club. It is a great way to get involved in our club and make a difference in the lives of our children in our community. If this is of interest, let Michael Schoppenhorst or Becky Nelson know. We can always use new folks stepping up to help.

And don’t miss this week when we will hear from the kids in these clubs as they share with us their activities and goals for this school year.
