PRESIDENT ALEX'S MESSAGE

Fellow Rotarians:

We are in the final push to get golfers, tennis players, pickle ballers, and sponsors (as well as raffling off our golf cart). Please help out!

Speaking of our 9/11 Aubrey Greenway/Hagan Cup Fundraiser, many Rotarians were present at the August 28th City Council Meeting in order to present the city with the First Responders' Cup. We were honored to be joined by the Mayor, Council, and many of Roswell's Finest as we have inaugurated what will undoubtedly be a great Roswell Rotary Tradition.

As for business - the Board, in conjunction with the Meetings Committee, have decided to terminate the contract with Wah'Lah - our current caterer. Both our Board and Wah'Lah believed that this was best for all concerned. Please bear with us as we transition to our new caterer which will be unveiled shortly. We will keep the same setup as our last meeting - i.e. with a buffet and having beverages and desserts on the table with our new place settings.

Mr. Maurice Smith, Middle Georgia USDA Farm Loan Manager, was placed in the State of Georgia Foster Care System at age 3 with his sisters in Crisp County (Cordele). He aged out of the system having never been adopted but being fully loved by his caregiver(s). This is the magic, he shared. He was parented as a fully loved child of the house.

Finding resources and opportunities, Maurice, at age 18, signed himself back into the system and the State of Georgia paid for his undergraduate degree through Ft Valley University. He then pursued post-graduate studies at Michigan State University where he met his wife and they now live in Putnam County raising their 2 children.

The Roswell Rotary's Bloodsuckers are back!

After a long run at Gate City, who we are forever grateful for providing use of their Backhouse, we relocated to Houck's Grille (soon to be Coastal Grille) on Wed, Aug 23.

Rotarians, and our friends, family and employees, generated 36 pints, which could save 100+ lives because of the way the blood can be used. Remember that there is no substitute for human blood, so we must continue to collect to keep the Roswell community, and our hospitals including WellStar N Fulton, strong.

Whether it was the video message from Hal Coleman, or stories by Jonathan Crooks, Greg Roth and Darrell Bartlett, the call for donors got to many wonderful people,.

Thanks to Michael Curling at Variant, Jeff Fischer at Houck's Grille for making Pint for a Pint drive a success.

NOTE: We'll be back on Wed, Nov. 15 at Coastal / Houck's. Please start talking with your colleagues and friends.

RRAH Hosts Sunday Funday Social at Fetch

Roswell Rotary After Hours beat the "Sunday scaries" by hosting a Sunday Funday social at Fetch Park Alpharetta--the coolest dog park and bar in town! Members let their pups run free while they enjoyed laughs and cold beverages. It was a great "paw-ty" to end the summer!

GRSP Student

"My name is Julia and I'm from Finland. I am currently attending Kennesaw State University where I'm studying Italian and psychology among other interesting courses. I have a BBA degree from Finland specializing in event management. So, in the future I hope to work in the event industry or perhaps with the ministry of foreign affairs. I am looking forward to having an amazing year in Georgia!"

To make it easy for our club members to invite Julia to a fun event or fun place you are visiting, Tori Nielson at **admin@roswellrotary.com** has set up a calendar so you can see when she is open. It means a lot to these students when they are

included in many different activities with different Rotarians!
