Project - UPDATE

Help Rotarians find you for business, mentoring, advice

A BIG THANK YOU to all who responded to our first request!!!

This project's purpose is to make it easier for your fellow Rotarians to find you, by updating and correcting some information on our Rotary platform, specifically in the Professional Classification and Sub-Classification fields.

Imagine - a Rotarian want to do business with you. Perhaps they are interested in referring someone to mentor with you. Being able to identify the right person effectively and efficiently is *Beneficial to All!*

So if your Classifications aren't the perfect fit for someone to easily find you, you may be receiving an email or call in the near future to get it as right as possible. Don't worry if you can't enter this information yourself! Contact Aliza Gevirtz at mrsalizagevirtz@gmail.com or Michael Curling Michael.Curling@gmail.com for information and assistance.
