President Nancy's Message

****An Action-Packed Presentation by Stuntwoman Sophia Crawford****

Last week, we had the exciting opportunity to hear from Sophia Crawford, a pioneering female stuntwoman whose career spans decades of thrilling performances. Best known for her role as Buffy's stunt double in *Buffy the Vampire Slayer*, and the pink power ranger, Sophia shared her journey through the high-risk world of stunts. From fight choreography to death-defying falls, she gave us a behind-the-scenes look at the intense physical and mental preparation that goes into each performance. Her inspiring story highlighted the importance of perseverance, breaking barriers in a male-dominated industry, and pursuing your passion no matter the obstacles.

****A Remarkable Performance by Youngsuh Noh****

At our upcoming meeting, we are privileged to welcome Youngsuh Noh, a talented pianist who has mastered his craft despite significant challenges. Youngsuh, who lives with Stargardt's disease, has only about 5% of his vision. Yet, his passion for music remains undeterred. Using a VR headset to read sheet music and committing each piece to memory, he transforms adversity into artistry. His resilience and determination resonate in every note he plays. Join us in experiencing the inspiring story and extraordinary talent of Youngsuh Noh, a true example of overcoming obstacles through dedication.
