President Nancy's Message

****A Patriotic Presentation by John Albers****

Our recent meeting was truly inspiring, as we were treated to a wonderful presentation from John Albers on the history of the Star-Spangled Banner. John's knowledge and passion for this iconic symbol of American pride brought new life to the story behind our national anthem. From its origins during the War of 1812 to its role in uniting Americans through the years, John's talk reminded us of the powerful meaning behind the words we often sing.

Stay tuned, as we look forward to revealing some exciting news in the near future. We can't wait to share what's coming up next for Roswell Rotary!

****Thursday Oct. 24 Upcoming Event: Breast Cancer Awareness Talk with Dr. McLaughlin****

We are excited to announce that our next Roswell Rotary meeting will feature a special presentation by Dr. McLaughlin, a leading expert in breast cancer. Dr. McLaughlin will share the latest advances in breast cancer research, treatment options, and the importance of early detection. His knowledge and insights are sure to provide valuable information on this important topic.

We will also be honoring some very special guests—breast cancer survivors—whose strength and resilience inspire us all. Their presence will serve as a reminder of the impact of our ongoing efforts to raise awareness and support those affected by this disease.

We look forward to welcoming Dr. McLaughlin and our honored guests to this important event. Join us as we come together to learn, support, and continue the fight against breast cancer.

Nancy Alterman
Roswell Rotary President 2024-25

Breast Cancer Awareness- Speaker Mark McLaughlin MD

We are excited to have Dr. Mark McLaughlin as our speaker this week as we mark Breast Cancer Awareness month by learning more about early detection and the newest treatments for this type of cancer that so many of us have experienced either directly or through family members or friends or neighbors. Let's have a full house for this presentation.

Dr. McLaughlin received his bachelor's degree in computer science from Duke University and his medical degree from the Medical College of Georgia in Augusta. He completed his surgical internship at Shands Teaching Hospital, College of Medicine at University of Florida, where he also completed his residency in radiation oncology. Dr. McLaughlin also holds a master's degree in healthcare administration from Central Michigan University.

Dr. McLaughlin is board-certified in radiation oncology. In his spare time, he enjoys sports, travel, gardening, boating, martial arts and reading.

How Can I Help with the Disaster Recovery Effort?

To Donate: **CLICK HERE**

For news on projects as they are organized: **CLICK HERE**

There is an effort being organized for Oct. 30 - Nov. 4. So far we have heard they need people with trailers. And who have their own resources-food, water, place to sleep. It's a true disaster area at this point in the recovery.

Nov 7th Meeting Chatt Nature Center

Don't Forget Nov 7th Meeting is On the Road

RRAH - Unity Garden New Date Nov. 9th!

After Hours last Unity Garden volunteering event was rescheduled for Nov. 9th. The shift starts at 9 a.m. and will go until Noon. The plan is to work around the garden doing anything and everything they need, like picking weeds, organizing plants and potting.

Did you know? The Unity Garden grows fresh produce to be donated to the food pantry at North Fulton Community Charities. Fresh vegetables and greens are delivered once or twice a week.

Please sign up to finish out this year strong!

Roswell Rotary supports environmental sustainability through its After Hours Club, which repurposes plastic grocery bags to aid produce transport from the Chattahoochee Nature Center's Unity Garden to the North Fulton Community Charities local food pantry. The group also actively participates in Georgia's annual "Sweep the Hooch" river cleanup and other city park beautification projects.
