## PRESIDENT ELECT'S MESSAGE

## Congrats to Becky & RRC On A Great Year!

It has been a pleasure to serve as President Becky's wing man during the 2018-19 Rotary year. She worked tirelessly to make sure our club continued to operate at the highest level and I have huge shoes to fill during the next year. Congratulations to all who received awards last week and thank you to all of our members for making this the best club on the planet! I hope to see you on Thursday night as we celebrate the successes of this year and kick off another great year for Roswell Rotary Club.

## Jacque & Joe Launch Their Book

**Description:**

*For decades, students with learning challenges have been overlooked and deemed as "unteachable" by the traditional education system. When Joe and Jacque Digieso realized the desperate need for a new kind of educational model, they founded The Cottage School (TCS) to help every student receive a proper, foundational education. The Cottage School Model: The Breakthrough Educational Paradigm for Real-Life Learning chronicles the success TCS has seen since it was founded by the Digiesos in 1985, and how its current methodologies can be adopted by any school.*
