

PRESIDENT'S MESSAGE

Passing The Pin

I am honored to be the 69th president of Roswell Rotary and proud to lead, as Past President Jim Coyle put it, "*the best damn Rotary club on the planet!*" Thanks to all the Past Presidents who helped me kick off my first meeting by passing the presidential pin through the many years of leadership they represent.

I am in Alaska for the next couple of weeks on a family vacation, so I am temporarily passing the pin back to Past President Lou Tabickman, who will run the meetings while I am gone.

This Week's Speaker | Michael Hitt Roswell Before The Big "Historic" Homes

Before we can connect with the world, we need to understand how Roswell became the vibrant city it is today. There was a time before the Mill and the large homes we now consider historic. Michael Hitt a retired Roswell police officer and history buff will give us great insights into what our community was like in the early 1800's. You won't want to miss the original drawings that depict areas and life in our city compared to modern day.

We are looking for the next Rotarian

Bring a non-member with you to Variant Brewing and your first pint is on us. Don't think of this as a time-share sales pitch, but a casual way to introduce the people in your life that say, "*what's Rotary?*" to our club. This event is perfect for the 30-40yr old friends, family, neighbors, co-workers or employees in your life that have a heart for service and you think would be a great addition to our club.
