

Instructions for Completing Grant Application

The Roswell Rotary Charity Committee is responsible for approving and recommending charitable grants from the club's charitable funds. Each organization requesting a grant is required to complete and submit the following application. Even those organizations that have received grants in the past will be required to submit an updated and complete application each year. Grantees are also required to report on how grant funds are applied and the impact of the funds.

Before completing and submitting an application we request that you review thoroughly the Roswell Rotary Guidelines for Charitable Giving document found on the website www.roswellrotary.com.

All applications are due on or before December 1st.

Final reports are due on or before September 30th after most recent grant.

In order to assure success of an applicant's request and proper management of the charitable gifts, it is helpful that a member of the Roswell Rotary club assumes the charge of "champion" of the request.

Applications can be submitted to the club by providing a completed hard copy or email submission to:
